

Asano Toshiko Profile Graduate of Keio University, Economics faculties. And now I am a housewife. I played piano and arrangement when I was belonging to the Jazz Chorus band in the college. I started classic piano from age four. I continue my music life by joining piano competition, concerts time and again Y2012 2nd place of the Second International Chopin Piano Competition for Amateur in Warsaw. Y2015 I got Lung adenocarcinoma and left side of it was removed by surgical excision. And I also got surgery for vocal cords as after effect next year. Y2018 Got gold award & Soloist Award of Chopinist Category, International Chopin Piano Competition in Asia Y2020 2nd place of International Piano Competition for Outstanding Amateurs in Japan Y2022 1st place of International Piano Competition for Outstanding Amateurs in Japan I like mazurka especially among all the Chopin. I would like to practice and play more of it.
